May 7, 1986

Dear Bill:

The next meeting of the National Drug Enforcement Policy Board is scheduled for May 29, 1986, at 10:00 a.m. in the Roosevelt Room. I will send you a proposed agenda in a few days. Enclosed are the minutes of the last meeting.

The enclosed draft report was prepared by the Department of State pursuant to section 615 of the Foreign Assistance Act (Public Law 99-83). Please review this report and provide your concurrence or comments to the Staff Director by May 15, 1986. If there are any unresolved issues we will discuss them at the May 29 meeting.

Since our last meeting many of us have attended several international conferences, and we will allot some time on the agenda to share observations.

I look forward to seeing you on May 29.

Sincerely,

A handwritten signature in cursive script, appearing to read "Edwin Meese III".

Attorney General, Chairman

Honorable George P. Shultz
Secretary of State
2201 C. Street, N.W.
7th Floor, Main Building
Washington, DC 20500

Dear George:

The Foreign Assistance Act, Public Law 99-83 of August 8, 1985 (International Security and Development Cooperation Act of 1985) contains in Section 615 the requirement that "The Secretary of State, with the assistance of the National Drug Enforcement Policy Board, shall conduct a study of the feasibility of establishing a regional organization in Latin America which would combat narcotics production and trafficking through regional information-sharing and a regional enforcement unit" and that "No later than six months after the date of enactment of this Act, a report on the advisability of encouraging the establishment of such an organization shall be submitted to the Committee on Foreign Affairs and the Committee on the Judiciary of the House of Representatives and the Committee on Foreign Relations and the Committee on the Judiciary of the Senate."

The Policy Board and its staff would be glad to assist you in undertaking this study, if the Board's assistance is needed. Since the report is required in February 1986, I will be glad to schedule a special meeting of the Policy Board at any time convenient to you so that the study can be reviewed before submission to the Congress.

We look forward to working together with you in accomplishing this requirement.

Sincerely,
